# **MOST SUPPORTIVE MEMBER AWARD**

The Most Supportive Member is a new award this year. It is given to the member or members who are always there when something needs to be done. The winners of this award are the ones who are always called when there is a time crunch or emergency, and can be counted on to accomplish the task without complaint.

The Most Supportive Member Awards are presented to:

**Tracy Backer, CRM**  
**Lori Upgren**

# MENTOR AWARD

The Mentor Award is a new award this year. It is given to a Chapter Member who helps members connect with each other. This person shares their knowledge and experiences in being a chapter leader with others, helping them transition into volunteer positions.

The Mentor Award is presented to:

**Jonna Duke**

# SURVIVOR AWARD

This is a special award given this year to an extraordinary person in the Chapter. The Survivor Award is given this year to a woman who was thrown into a leadership position because of highly unusual circumstances, managed to lead in that position for 2 years while at the same time also holding down another board position, and during all of this, managed to have a baby and keep her job.

We are honored to give the  
Survivor Award to:

**Molly McCracken**

# Member of the Year

This is an ARMA International award that is also recognized at the chapter level. The award recognizes the chapter member who has made the greatest individual contribution to the chapter during the past year (July 2009 – June 2010). This award recognizes a non-board member. Emphasis is given to the member's participation in and contribution to the chapter's activities. The outstanding member is also a person who has supported and promoted ARMA International objectives.
