

Twin Cities ARMA Members,

Help us in celebrating the Chapter's 50<sup>th</sup> anniversary, the RIM profession and the past program year. We're looking for inspiration from you on the stars of our chapter, both current and past.

Who inspired you to get involved?

Who inspires you professionally?

Who has been a leader in the profession and in the chapter?

Are you working on something interesting/fabulous at your organization?

Do you know a colleague who has great things going on in their organization?

If you are new to the chapter, who made you feel welcome? If you're a veteran chapter member, who impacted you in your career, encouraged you to get involved or helped lead you to get the most of your membership?

Sometimes small actions have a lasting impact. We want to recognize members, current and past, who have guided us through 50 years of success. Help us do so by sharing your memories.

Send your suggestions and recollections to Beth Zaspel, CRM ([beth@shredrightnow.com](mailto:beth@shredrightnow.com)) or Susan McKinney, CRM ([Susan.mckinney@ogc.umn.edu](mailto:Susan.mckinney@ogc.umn.edu))

**by Friday, May 4<sup>th</sup>.**

Fun stories, silly anecdotes, moving recollections and honors and tributes are welcome and encouraged. Let's make this 50<sup>th</sup> anniversary celebration a fun and shining tribute to where we've been and where we are going as a chapter and a profession.

Honor the Past, Hold the Present, Plan for the Future
